

Kimberly Inez Mays

SPEAKER | TRAINER | DEVELOPER | COACH

Kimberly Inez Mays is a marketer and web developer who helps entrepreneurs up-level their online presence through digital marketing, web design, and branding, so that they can be free to operate in their zone of genius and bring their gifts to the world.

Kimberly has over 10 years of marketing and web development experience. Her mission is to support those who have a vision and are brave enough to take a 'foolish' leap of faith.

I Make Complex Things Simple

Speaking Topics

5 Ways to Elevate Your Online Presence

I'll provide the 5 essential elements of a cohesive (and profitable) online brand that will attract your ideal client!

Free Your Time, Automate Your Business!

I'll show you how to run your business with automation (instead of having it run you!) Automate everything from lead generation, client on-boarding, follow ups, marketing, and more!

Demystified: Systems Made Simple

I'll show you how to avoid 'shiny object syndrome' and focus on the essential applications and systems needed to market your business, generate leads, and serve your clients!
